11th ANNUAL CABIN FEVER EXPO

Several of our G.A.M.T.R.A. members attended the 11th Annual Cabin Fever Expo in York, Pennsylvania on January 19-21, 2007. Doug Kelly, who also exhibited during the show, is pictured below demonstrating one of his models to interested spectators. For those that may not know, Doug's "Snow" tandem engine (shown in the lower left hand corner of the picture) is the subject of a continuing construction article currently being published in *The Home Shop Machinist* magazine.
