## COTTON GINNING DAYS

### MAY MEETING'S RE-CAP

\*Work is completed on GAMTRA's Allis "G" and is now ready to be painted.

\*The club approved the Hercules/Economy engine to be featured on this year's show event pins and t-shirts celebrating the 100<sup>th</sup> anniversary of Economy and the 95<sup>th</sup> anniversary of Hercules built engines.

\*The club decided there would not be a GAMTRA meeting in July, as many members had a conflict attending the Thresher's Reunion in Denton.

\*The Boy Scouts Order of the Arrow has helped with duties at past GAMTRA shows and this year may perform a dance routine in the historical village area. They have also volunteered to pick the peas that can be used in GAMTRA's thresher at this year's show. We still need someone willing to grow the peas!

\*Power of the Past Tractor Club announced that they will be giving away a raffled John Deere 110 lawn and garden tractor at this fall's Cotton Ginning Show with proceeds going to Holy Angels in Belmont.

\*Thanks to Bobby Atterberry, Reggie Stone and Wally Martin for sharing their older unusual items of interest with club members.
