

Cotton Ginning Days

October 13-15, 2023

Exhibitors from all over the southeast will convene in Dallas, North Carolina on October 13-15 for the annual 'crank-up' of antique steam and gasoline engines and tractors. One of the highlights of the engine show is the operational 1900 single-stand, Continental Cotton Gin. We will be ginning cotton all weekend long during the festival until we are all ginned out! In addition to the engine show, many activities are planned to include a Kids County Fair, Heritage Arts Area, Handmade Craft vendors, working Blacksmith Shop, Tractor Parade through the Town of Dallas Friday morning and though the park on Saturday as well as Music. So, mark your calendars and plan to join GAMTRA and Gaston County Parks & Recreation Department as we present **Cotton Ginning Days**. **As always, the food is good and admission and parking are free.**
